## New Year's Resolution: Get Involved!

By Bruce Frendahl

Happy New Year to all of you hanging out on Haulover Beach! It sure feels great to be able to get naked... to be able to just chuck all those clothes and enjoy the warm sunshine on the ol'bod... to feel those cool southeasterly breezes all over... to splash around in that big blue ocean without being bogged down by a wet sandy bathing suit! To be able to doze off without a stitch on, to play volleyball naked as a jaybird! I'm sure you would agree that life on Haulover exemplifies a simple yet inexplicable feeling of peace and freedom that's somehow beyond compare.

Yet as we know in real life – especially since 9/11 – peace is hard to come by, and freedom is never free. And so it is with our beloved clothing-optional beach section. If you've been even remotely following the chronicling of the Haulover experience over the last ten years, you

know that there always exists some threat to the naturist lifestyle. Some entity somewhere wants us to just go away or wants to take our special playground away from us.

And you know (or at least we HOPE you know) that there's an organization which painstakingly CREATED this nude beach for all of us to enjoy, and continues to doggedly fight for our freedom... to be NUDE!

Like the men and women in our armed forces who volunteer to fight for our nation's freedom, South Florida Free Beaches / Florida Naturist Association needs naturists to volunteer... PEOPLE LIKE YOU... to fight for our freedom to be nude on Haulover... and hopefully other beaches around Florida very soon!

Now is a great time for you to become part of a great organization... and play a part in naturist HISTORY. Help us keep Haulover free... and to free other beaches in Florida. What a great New Year's

resolution it would be for you to offer your time and effort defending and expanding upon one of American naturism's GREATEST ACHIEVEMENTS... Haulover!

So... are you looking for a REAL New Year's resolution this year? Are you looking for a new meaningful challenge which supports and strengthens your chosen recreation and lifestyle? Are you serious about making 2002 the year you stop being just a beach potato, and instead choose to make a real difference for naturism?

SFFB / FNA is actively seeking PEOPLE JUST LIKE YOU... to become part of us... to be a donor / sponsor... to assist at our Beach Mall... to become a Beach Ambassador... to serve on the Board of Directors.

Talk to us – call, fax, e-mail, snail-mail or just stop us on the beach.

We want YOU – NOW! ✨
