## Support B.E.A.C.H.E.S. Foundation Museum/Library/Institute Project

*A Landmark Initiative to Celebrate and Safeguard Our Legacy: The Naturist Museum/Library/Institute Project*

Dear Naturists and skinny-dippers,

The B.E.A.C.H.E.S. Foundation Institute (**B**each **E**ducation **A**dvocates for **C**ulture, **H**ealth, **E**nvironment, and **S**afety), has spearheaded clothes-free advocacy and activism since 1999, to honor, preserve, and promote our collective values throughout North America. Its Board of Governors is a coalition of devoted volunteers who bring a wealth of experience and leadership in free beach and nude recreation activism. Together, they have mentored the development of several free beaches and have contributed an astounding cumulative number of years to the advancement of our movement — from the sandy Atlantic shores of Haulover, Blind Creek, Apollo and Playalinda beaches in Florida to the cliffs of Blacks Beach and Bates Beach in California and Wreck Beach in British Columbia, and the tropical waters of Zipolite Beach in Mexico.

At the heart of our movement is a rich tapestry of history, culture, politics and shared experiences. Now, we are reaching out to you with a landmark initiative that aims to celebrate and safeguard this history and culture — the establishment of a Naturist Museum/Library/Institute (MLI) near the iconic Haulover Beach.

### Why the MLI Project Matters

- **Guardianship of Our Legacy:** This museum will serve as a timeless sentinel, ensuring our history, achievements, and ethos are forever maintained for future generations to draw inspiration from.
- **Promotion & Education:** The institute will be instrumental in educating visitors about the values and benefits of naturism, dispelling myths, and nurturing respect for our community.
- **A Hub for Connection:** The MLI will be a space where we, naturists and the public, gather, share, teach, learn, and share ideals of the celebrated nude.
- **Philanthropic Benefits:** Contributions to the B.E.A.C.H.E.S. Foundation Institute are not just an investment in this visionary project; they are also fully tax-deductible as permitted by its IRS 501(c)(3) status.

Now is the perfect moment for our community and supporters to unite and champion this monumental project. Your financial or other forms of support will not only preserve our rich history but will also champion the narrative of naturism for years to come. In the spirit of community and solidarity, we urge you to contribute to making the Naturist MLI a sanctuary for our past and a beacon for our future. We're reaching out to you, our community, for your invaluable support.
